

AV610C2

The AV610C2 was designed as work group scanner for users who also need a flatbed scanner regularly. The three function buttons for e-mail, copy and print make scanning and working extremely convenient. The AV610C2 scans 17 pages per minute, simplex.

The combination of fast document feeding and true 600dpi optical resolution is the basis for good image quality. The AV610C2 is a powerful and versatile addition to your workplace.

Specifications
