

AV8050U

The AV8050U is designed for workgroups who have heavy-duty scanning needs for A3 format. This scanner is easy to operate and has a fast scanning speed of 50 pages per minute for simplex.

The combination of fast document feeding (optional) and true 600 dpi resolution is the basis for good image quality. The AV8050U is a powerful and functional addition for your workgroup.

Specifications
